c. CONTROLLED DISSEM

This marking shall be utilized where source protection, including commercial sources, would warrant limiting the dissemination of the document to intelligence components.

Document: The dissemination of the document shall be limited to civilian employees and active duty military personnel within the intelligence components of the USIB member agencies, and to those senior officials and their immediate supporting staffs of the member agencies who must act upon the ^{information.} intelligence. It shall not be disseminated to organizations or personnel, including consultants, under a contractual relationship to the U. S. Government without the written permission of the originator.
